From your statements, you are best fit as...

Passive Polly, aged 20

*"I don't respond to or reciprocate any physical actions to hope they realise that I'm disinterested"*

About Polly...

Polly **avoids confrontation** at all costs, because she doesn't like disagreeing with or upsetting people. Polly **doesn't want to draw attention to herself**, so when she is in an uncomfortable situation, she uses subtle excuses or physical signs of being disinterested to avoid verbally confronting the member of the preferred sex or acting physically towards them. Polly is **afraid of judgement** from the member of the preferred sex and **of their consequent actions**.

## You might get into situations:

...with someone you are friends with because you...

*are naive*

*want to maintain a reputation*

...you can't get out subtly because you...

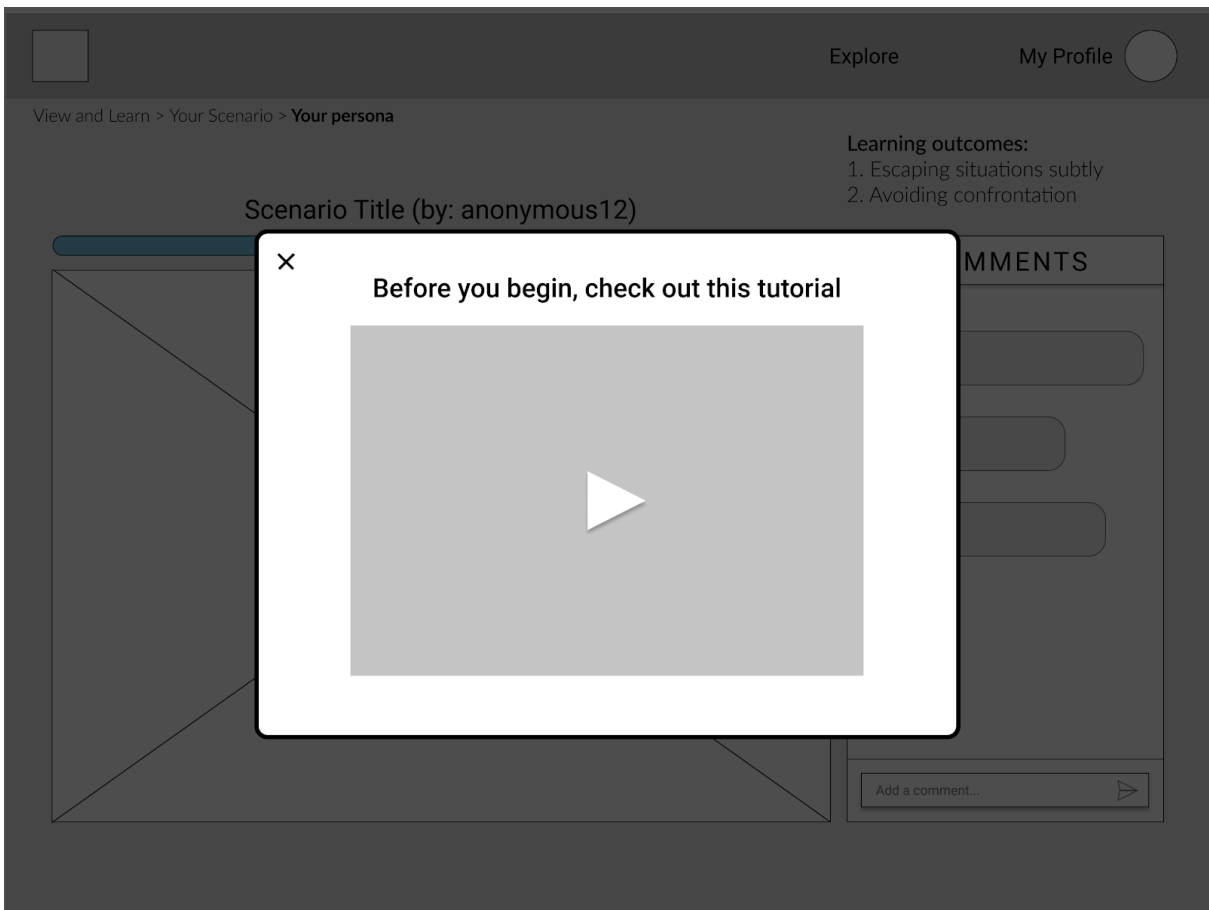

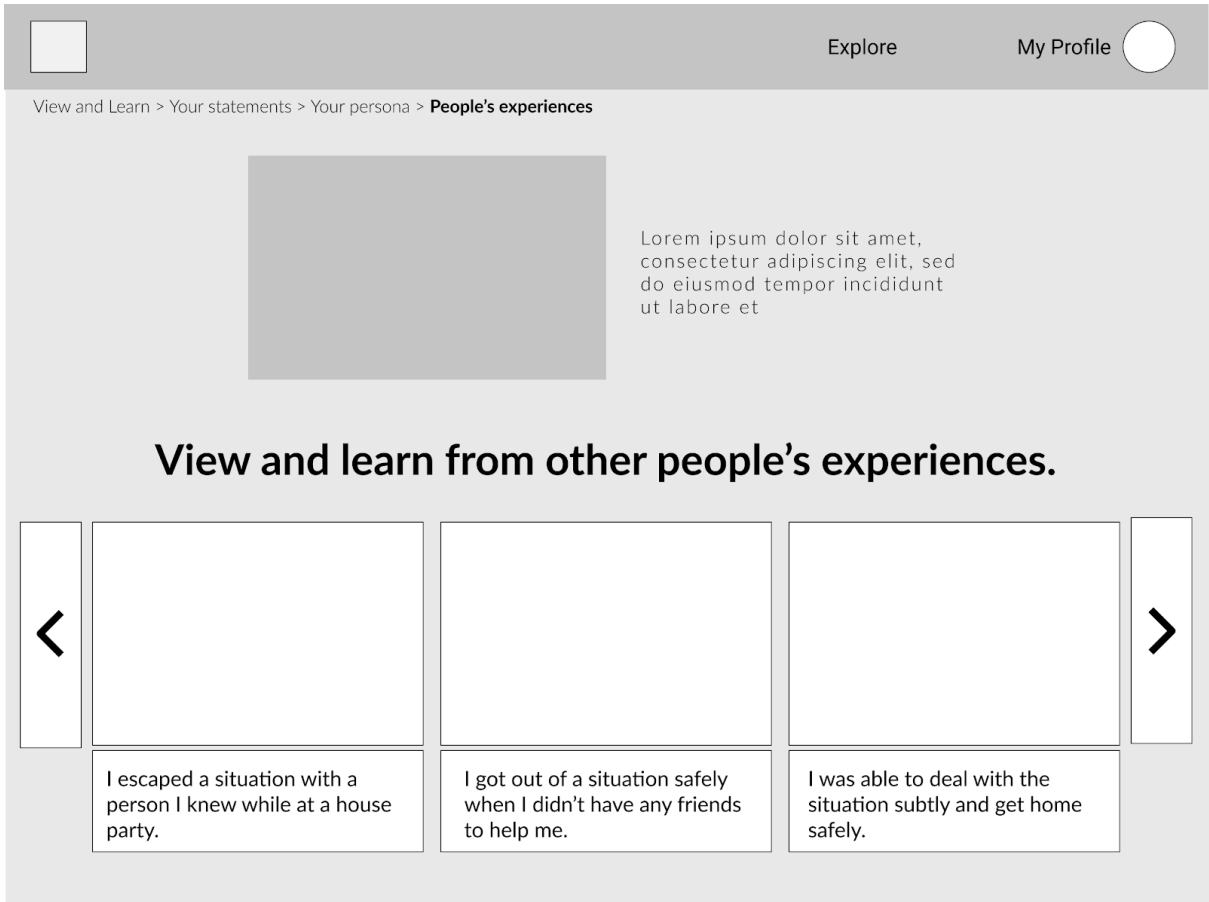

*avoid confrontation*

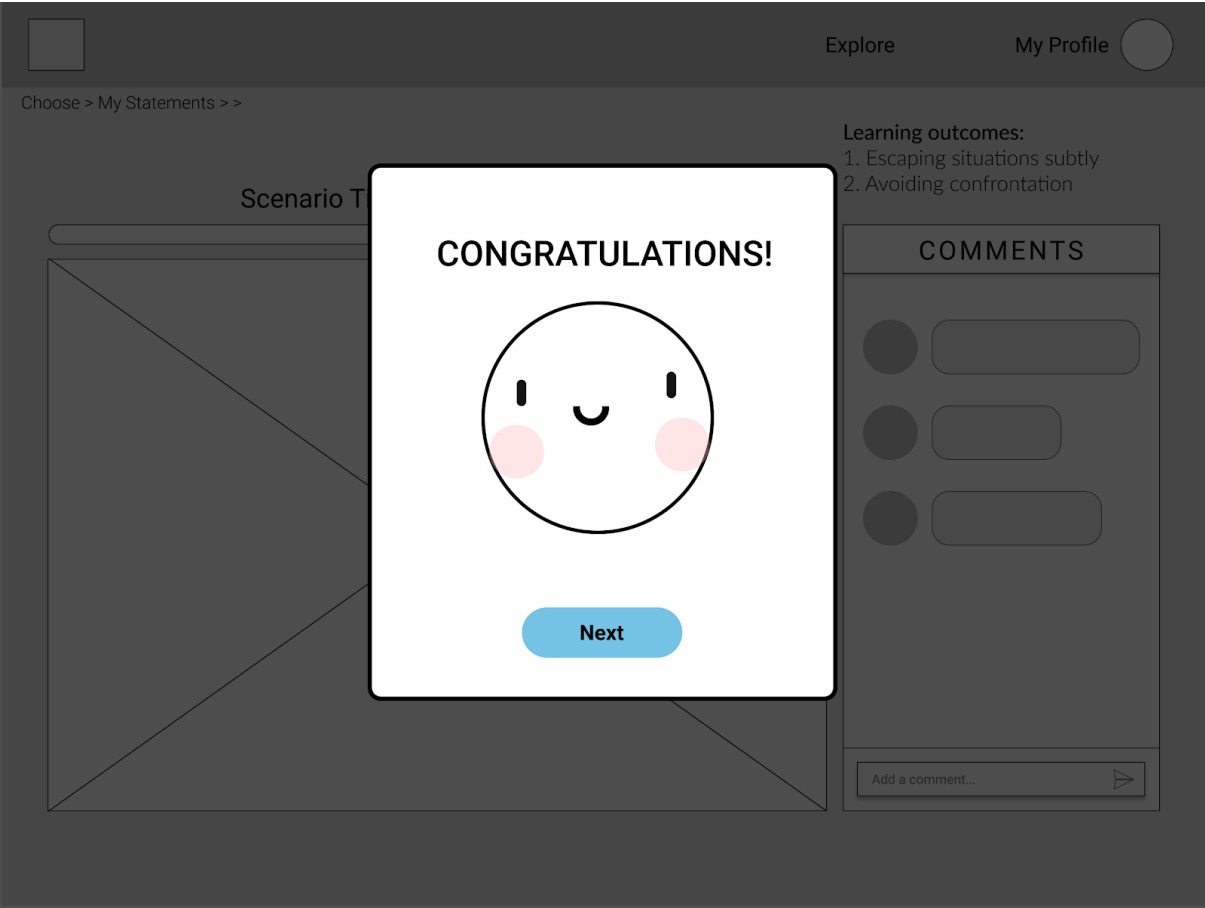

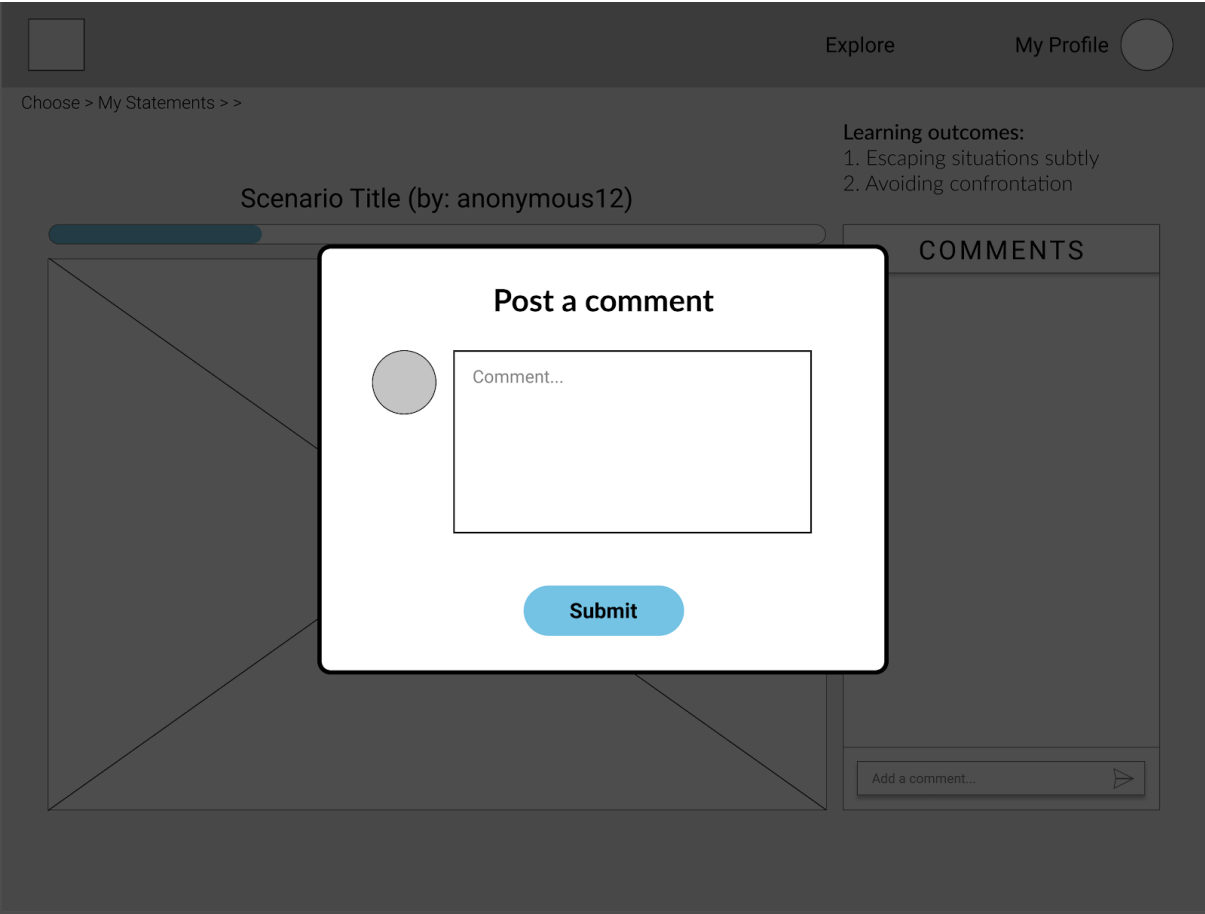

*prefer to deal with the situation yourself rather than get help*

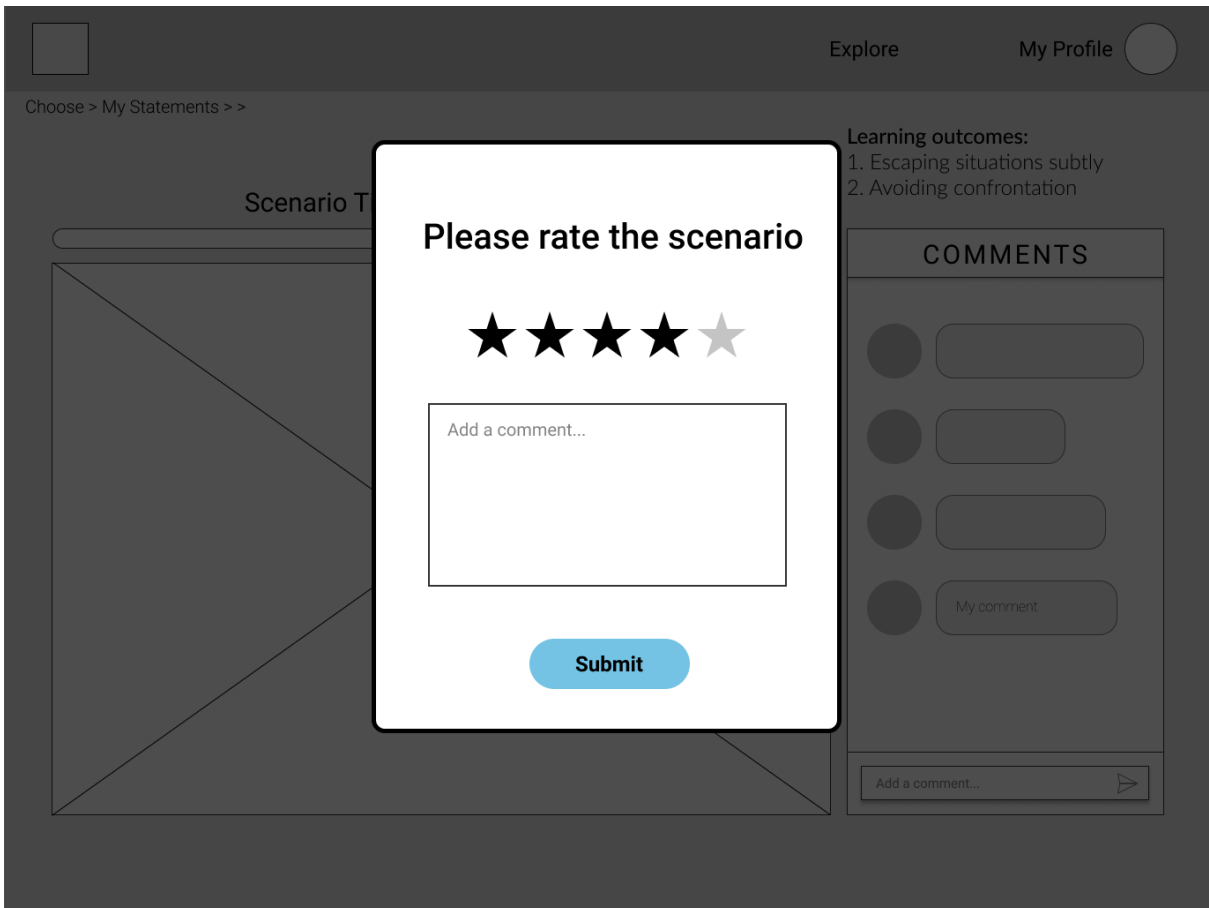

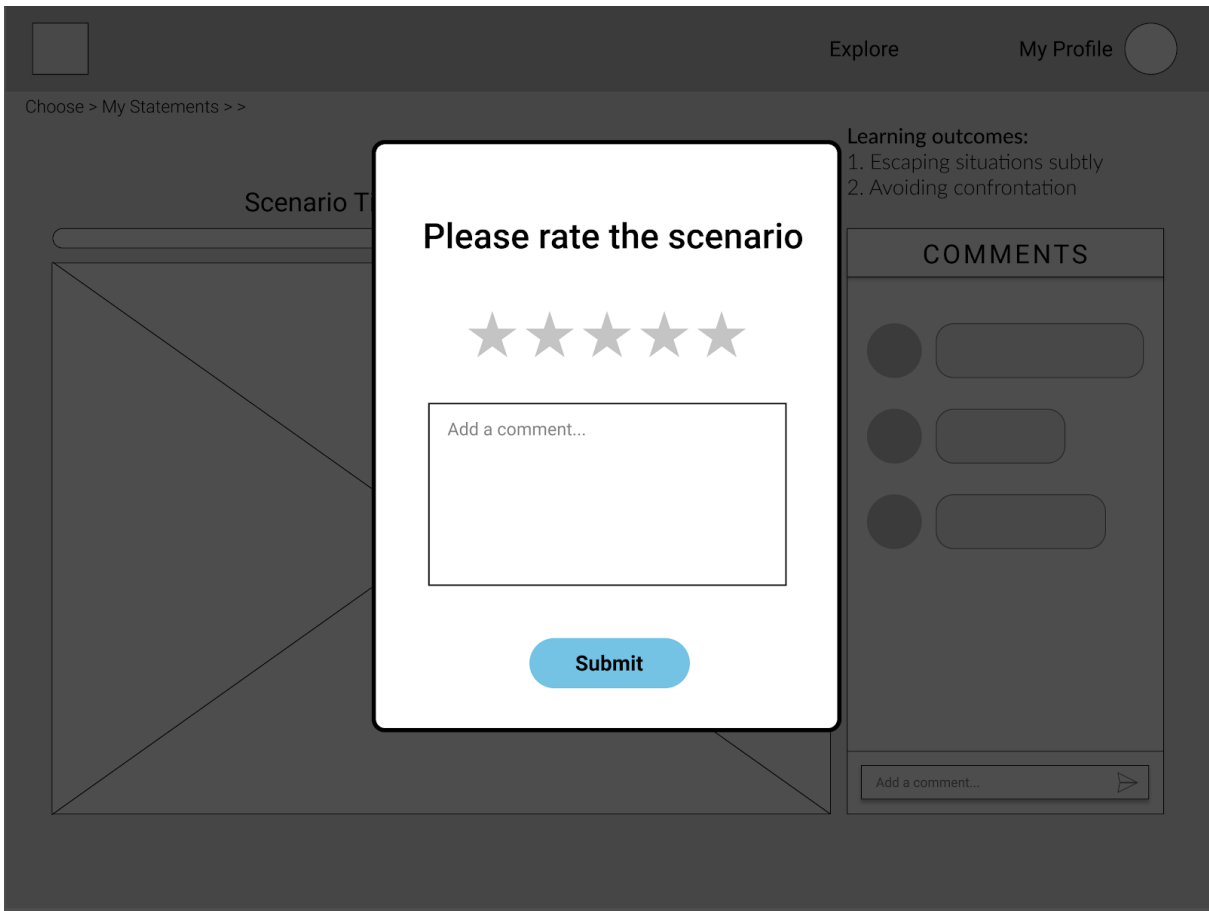

...you can't deal with it subtly because you...

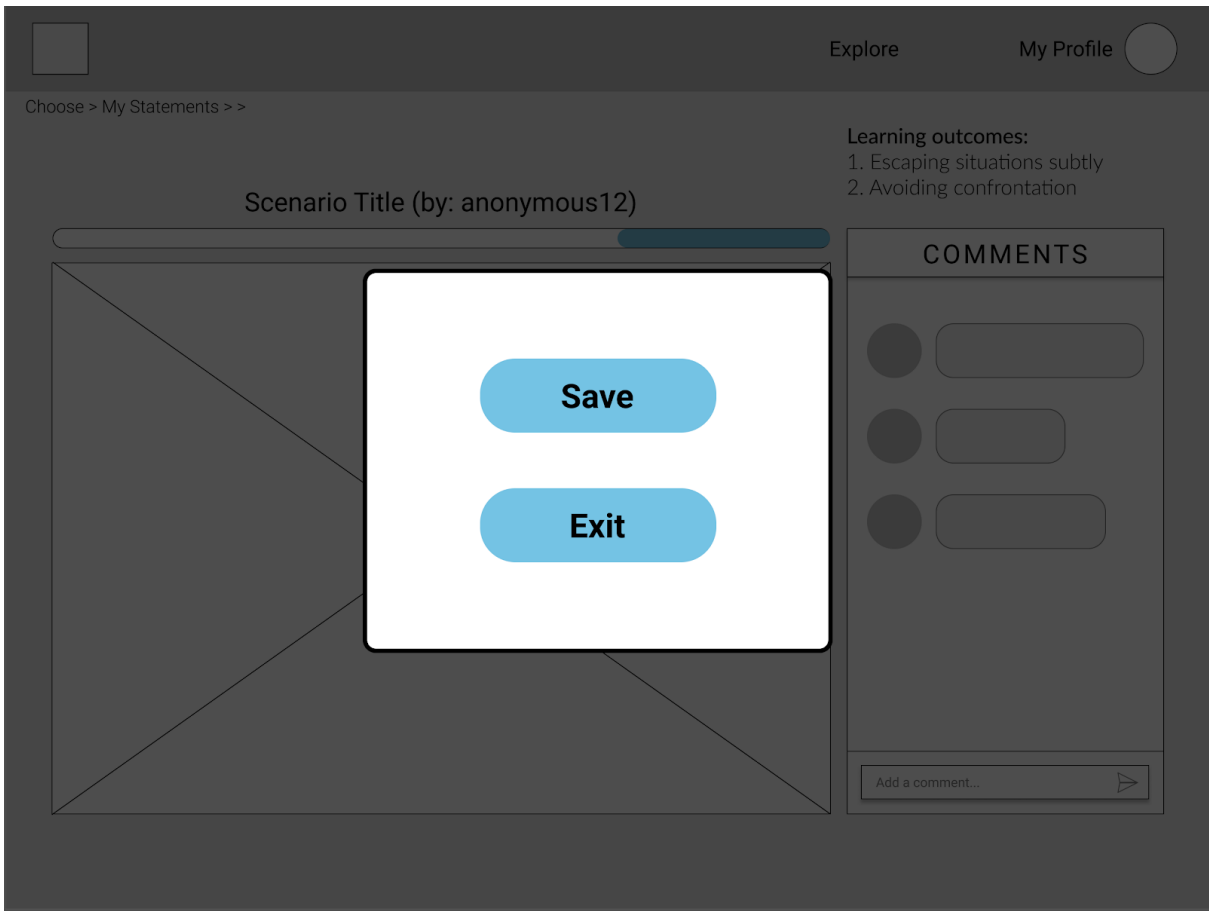

*don't want to be judged*

*avoid confrontation*
